Plymouth, 1620-1645

Track 36

History of the Settlement at New
Plymouth, 1646 - Names of
Passengers on the *Mayflower*

Bradford's History of the Plymouth Settlement 1608 - 1650

Rendered into modern English by Harold Paget

The journal of William Bradford, who served five terms as governor of the Plymouth colony, is an indispensable document of the events of early American history. His eyewitness account includes the stories of the Pilgrims' sojourn in the Netherlands, the voyage of the Mayflower, the hardships of the New World, relations with the Indians, and the colony's growth from an endangered enterprise to a thriving city. This edition of Bradford's *Of Plimoth Plantation* presents the text in language made more accessible to the modern reader
